

The White Rose Maths Team, part of Trinity Multi Academy Trust, has prepared a series of five brand new maths lessons for each year group from Years 1-6. Every lesson comes with a short video showing you clearly and simply how to help your child to complete the activity successfully.

Finding and using the lessons

The lessons are all available on the White Rose Maths website at:

[www.whiterosemaths.com/homelearning](http://www.whiterosemaths.com/homelearning)

where you'll also find clear instructions on exactly how to access and use the right material for your child's year group.

White Rose Maths is all about helping children to love maths by really understanding what it's all about, so you can certainly expect to enjoy these learning sessions with your child!

Join in the daily maths!

A regular daily learning routine will help your child to learn more effectively at home, and just one White Rose Maths session each day will really help your child to keep them learning and motivated. What's more, the White Rose Maths Team will be online each weekday between 10.00 and 11.00am – great opportunities for your child to show and share their work, questions and ideas every day via any of the White Rose Maths social media channels.

Phonics Play

This is an excellent resource for children. Details of how to log on are available at:

<https://new.phonicsplay.co.uk/>

**Coronavirus (COVID-19) – Helping you prepare for a shutdown - Teachit Primary**

While schools across the UK are closed, we're keen to offer you our support and show our solidarity. Teachit is with you in these uncertain...

In order to keep us all happy and healthy over the coming weeks, we are putting together a collection of activities and challenges for you to complete at home with your family and friends. These activities and challenges can also be completed in school for those teachers and children who will still be there.

To keep up to date with these please see our website at [www.sedgefieldssp.org.uk](http://www.sedgefieldssp.org.uk) or our Facebook Page - <https://www.facebook.com/sedgefieldssp/>.

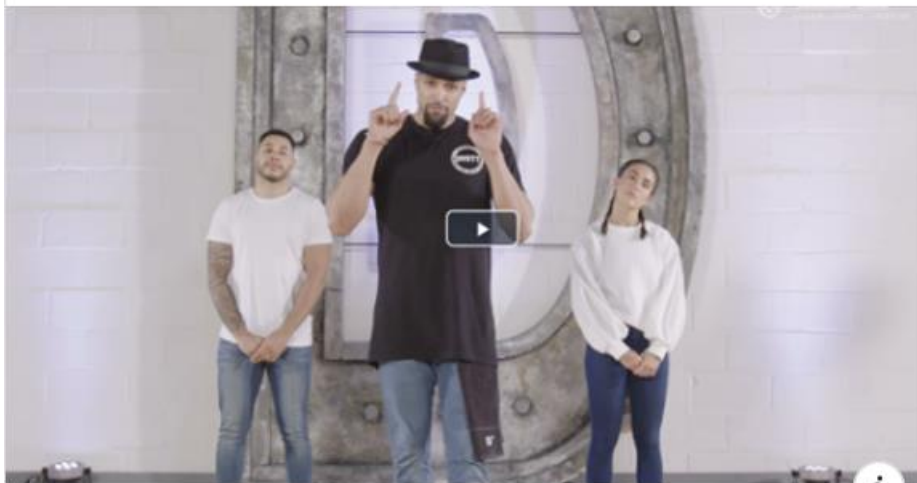

#### Fit for Life Team Support

We will be posting daily Fit for Life related activities that children can complete at home on our facebook page - <https://www.facebook.com/fitforlifeschools/>.

#### Yoga Mike

Our good friend Yoga Mike is offering his digital platform FREE for the next 3 months. Schools and families can access it here - [www.yogamike.tv](http://www.yogamike.tv)

Diversity are offering their dance tutorials free at the minute if you have children who like dance

20DV.CO.UK

**20DV**

A man with long curly hair, wearing a green t-shirt and black shorts, stands in a classroom. He is gesturing with his hands as if speaking. The background is filled with educational posters, including a place value chart, a multiplication table, and various math formulas. A digital clock on the wall shows 12:49:36. The floor is green.
