

**CRC Article 28: All children have the right to an education CRC Article 31: All children have the right to play.**

**English**

What invention do you think would change the world?

Look at this photo. Answer these questions (In full sentences).

- What do you think has caused the destruction all around the tree?
- Why has this one tree survived?
- If you walked through the portal, what would happen to you?
- If this portal went to another world, would you go? Why?
- Is it good to take risks? Are some risks riskier than others?

Choose a book on Oxford Owl. Make a prediction and write what you think it will be about. Read a book on Oxford Owl (See link below). After reading, extend the story by writing about what could happen next.

Choose a book on Oxford Owl. After you have read it, pick your favourite character and draw them. Around your picture, write adjectives that describe what that person is like. Create an advert for one of your favourite toys.

**This week's spellings are on Spelling Shed: Week 19 18<sup>th</sup> May**

sugar sure eye water again half

Put these words in alphabetical order.

Write a story and include these words.

**Maths**

- Go around the house and see how many things you can find that are in the shape of a sphere, cube, cuboid and cylinder.
- My answer is 22. I have used 3 numbers to make 22. What numbers could I have used? Write the possible combinations in your book. You could repeat with a different number.

- Here are some shapes. Complete a tally chart to show the number of each shape.
- Practise your 2s, 3s, 5s and 10s timetables (or challenge yourself and learn one of the other timetables). Draw arrays for one of the times tables.
- Partition these numbers (23, 54, 48, 82). Partition them into 10s and 1s first using a part-part whole model and then see if you can find different ways to partition them (e.g.  $23 = 20 + 3$ ,  $10 = 1 + 9$ ).
