

LGBT+ History Month

February 2020 was LGBT+ History Month; children at THPS spent some time during Family Group sessions exploring what this means and how we can celebrate and support the LGBT+ community. Children discussed what it means to be part of this community and how important it is to respect people for who they are. The children really enjoyed discussing what different families might look like, as well as creating beautiful rainbows to be displayed in school.

Later in the month, we held our first Rainbow Day. Each year group was asked to come into school dressed in 'their' colour from the PRIDE rainbow flag, which they then spent time researching during the day. Teachers organised work and activities linked to a book from our Equalities and Diversity Book Box and children had the opportunity to buy cakes and biscuits to raise money for Educate and Celebrate. At the end of the day, we had a special whole school assembly where children listened to Frockodile (a story about Cliff, the crocodile who wants to wear a dress).

Well done to the children who were nominated to be our first set of Equality and Diversity Champions! Cole (Y1), Ollie (Y1), Jason (Y2), Amelia (Y2), Reece (Y3), Harley (Y3), Katie (Y4), Scarlett (Y4), Kenzie (Y5), Luca (Y5), Ellissa (Y6) and Reece (Y6) were all recognised by their teachers due to their contributions to discussions in class over the course of the month. They were awarded rainbow pin badges to wear in school by Cllr. Shirley Quinn, our Governor for Equality and Diversity.
