

'Respectful and resilient; being the best that we can be.'

Timothy Hackworth Primary School

2nd September, 2020

Dear Parents and Carers,

We hope that you have enjoyed some family time and sunshine over the school holidays.

Your children have been an absolute credit to you. They have returned to school today really happy, very settled and they have had a thoroughly enjoyable day.

It certainly is a very unusual time indeed; we are keen for your children to have a really positive start to their new school year with us, and we are delighted to see you all again. Returning to school for a new school year is an exciting and important time for you and your child, indeed a milestone, in your child's school journey.

With the current situation, things are obviously going to be different for a while, but I would like to reassure you that we continue to have your child / children's best interests at heart, and we are all keen to ensure that your child / children make a smooth start to their new class and year group.

Thank you for your patience during these times. Please do bear with us. We have put an immense amount of time and thought into our procedures this term to make sure that your children and our staff are safe. Although we have done our best to ensure that everything is covered and taken care of, we need to work together to ensure that our community arrangements work as smoothly as possible for your child, so we look forward to working in partnership with you, and working together once again.

Mrs. Boulton
