

'Respectful and resilient; being the best that we can be.'

Timothy Hackworth Primary School

Dear Parents and Carers,

We hope that you have enjoyed a good half term, and do hope that you and your families are all safe and well.

I would like to pass on to you that we have had a member of staff test positive for the virus over the half term holiday. As this was a confirmed case at the end of the half term, it has not affected school in any way. We are still open in the usual way due to this being a case over the holidays whilst we have all been away from school.

I have also been in touch with Public Health England who have reinforced that school is doing the right thing and our Risk Assessment supports that all is safe for us to return.

How to stop COVID-19 spreading

There are things we can all do to help reduce the risk of you and anyone you live with getting ill with COVID-19:

- wash your hands with soap and water often – do this for at least 20 seconds;
- use hand sanitiser gel if soap and water are not available;
- wash your hands as soon as you get home;
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze;
- put used tissues in the bin immediately and wash your hands afterwards.

Please could you ensure that, when bringing/collecting children from school, only one person brings/collects your child to school, and ensure that you stay 2m apart from each other on the playgrounds and when queuing outside of the Reception classes.

Thank you for your support. We all need to work together to keep your children safe, and each other safe.

We look forward to seeing you all tomorrow.

Best wishes,

Mrs. Boulton Mrs. Crook
