# Remote Learning Newsletter

Remote Learning from w/b 11th January 2021

**CRC: Article 28:** All children and young people have the right to education, no matter who they are; regardless of race, gender or disability.

At Timothy Hackworth Primary School, we believe that every child has the right to become the best that they can be.

During these very difficult and unprecedented times, we know that you will be trying your very best to work with your children so that they can continue to access and enjoy their learning at home. All staff are working hard to provide remote learning which is matched as closely as possible to the learning taking place in school.

We would like to celebrate the hard work, successes and achievements of children's Remote Learning each week in our special 'Remote Learning Newsletter'.

Please make sure that the tasks completed which are highlighted in yellow on your child's weekly Remote Learning Plan are sent to the year group teacher via Class Dojo or School Mail - [www.timothyhackworth@durhamlearning.net](mailto:www.timothyhackworth@durhamlearning.net). We can't wait to see more of all of the hard work and progress that your children are making!

Your child's teachers are enjoying looking at the work that you are sending to us.

Should you have any questions about your child's remote learning, please ask your child's year group teachers via parent/teacher telephone calls on the Bubble Mobile Phone, via Class Dojo, or via our School email address. So, to our Timothy Hackworth Families, let's aim high and reach for the stars! We know that you are all superstars and you can do this!

Have fun and stay safe!
