

Year 1: Computing and Online Safety

Using Technology

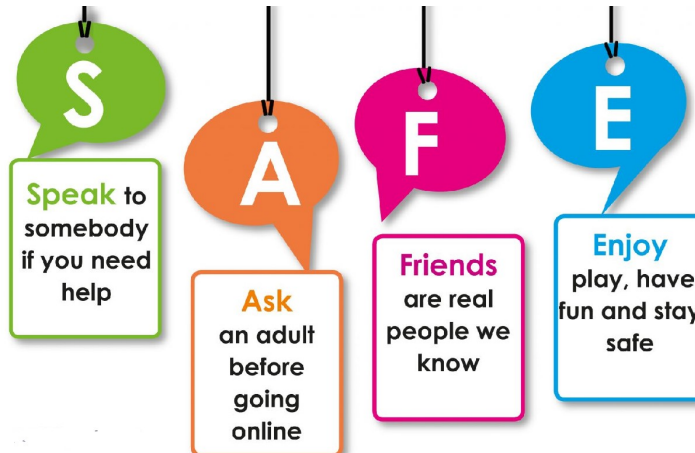

Search for apps by pulling down the **search engine** at the top of the iPad.

You can use a **camera** or **iPad** to **capture** an image or video.
Delete an image by putting it in the bin.

Online Bullying

You can be kind online by only saying nice things.
 Tell an adult if someone is being mean or saying nasty things.
 Being kind online is just as important as being kind in the real world.
