

Year 1: What can I find in my corner of the World?

Use these words to describe the way you go or your route.

Vocabulary

Human Geography

Physical Geography

collect	gather together
environment	The surroundings and what they are like.
factory	A place where things are made.
far	at a distance, a long way away
farm	Land that grows crops or rears animals.
house	A building that humans live in.
local	The small surrounding area.
map	A diagram of a place.
near	close to
office	A place where people work.
park	A large, public garden or land used for recreation.
plant	A green living thing. A tree, bush or grass.
route	The way you go to get somewhere.
season	One of the four different times of year—Spring, Summer, Autumn, Winter.
shop	A place where you buy things.
sketch	A rough, simple drawing.
soil	The brown or black upper part of the ground that plants grow in.
survey	To look closely at, examine and record.
vegetation	The different plants that grow in an area.

Here are some local landmarks. Talk about what they are and where they are. What other things would you put on your own map?

CRC Article 17 - All children have the right to information.
