

PE - Target Baggers

Our Core Task this half term is Target Baggers. We will be focusing on:

- sending and retrieving a ball;
- aiming at a target with control;
- moving into a free space and signalling when someone wants the ball;
- identifying strengths within the team;
- creating our own scoring system with points or goals.

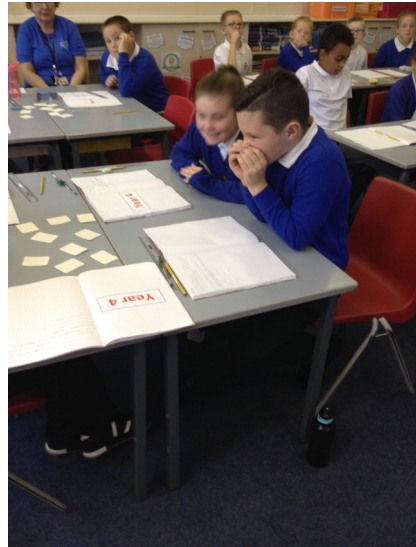

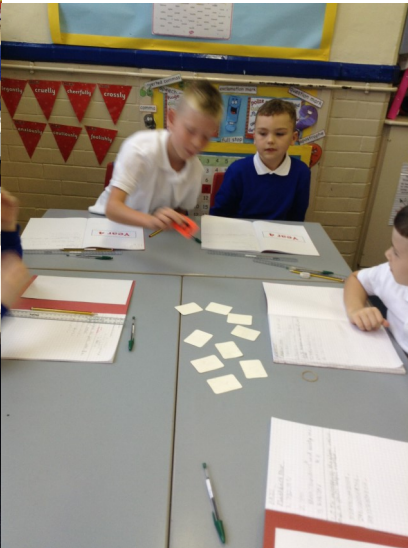

Times Tables Practise.

Since every child learns differently, we practise everyday doing different activities to help children recall their times tables faster.
