After-School Clubs after Half Term

CRC Article 29: All children have the right to be the best that they can be.

CRC Article 15: All children have the right to meet with other children and to join groups and organisations, as long as this does not stop other people from enjoying their rights.

Dear Parents and Carers,

Thank you for your excellent uptake of our new extra-curricular clubs. The children, and adults, are thoroughly enjoying their afternoon activities and it is a pleasure to see children from different classes spending time together, something which has been a long time coming. The school is once again alive with the sound of choir, Taekwondo, forest schoolers and much more. Many thanks for your enthusiasm and commitment to our offers.

If your child is currently part of an after-school club, **they will continue to have a place in that club** until we break for Christmas. The only exceptions to this are Gymnastics, which was led by an external coach and has finished for this term, and Cooking Club where we have a waiting list. Mrs. Nixon will contact you if it is your child's turn for a Cooking Club place.

We have places available in the following clubs:
