

TIMOTHY HACKWORTH PRIMARY SCHOOL

'Respectful and resilient; being the best that we can be.'

SEND Questionnaire (Parents and Carers) 2022

CRC Article 29: All children have the right to be the best that they can be.

Introduction

At Timothy Hackworth Primary School, the views of our parents and carers, including about our SEND provision, are extremely important to us. We actively seek these views by sending out an annual SEND Parents and Carers Questionnaire. The results of the SEND Questionnaire tell us what is working well,

about areas we can develop further and, importantly, help to shape future SEND provision across the school. Below are the main results and actions taken from the 2022 SEND Questionnaire.

In total, 32 parents and carers responded to the questionnaire.	
You said	We did
A small number of respondents were not sure who to contact for matters relating to SEND in school.	SENDCO contact details and information about the role are included in the SEND section of the website. They are now also included in every newsletter. The SENDCO is also available every morning in the Parent Pod.
You said, although you find school staff very approachable, you would like more opportunities to discuss your child's SEND Support Plans with your child's Class Teacher.	Class Teachers have been made aware of this and will always endeavour to make sufficient time to discuss all aspect of your child's Support Plan with you. Parents can speak to their child's Class Teacher or the SENDCO, about their child's needs, at any time, not only during arranged meetings, by contacting the School Office.
You said that you would like more information about how your child is supported in school.	A new Support Plan template, which will be used from January 2023, focuses on the provision we have in place for each individual child, making this information much clearer.
You said that you would like more support from the Local Authority to meet the needs of your child.	We work closely with the Local Authority to ensure the best available support for our children with SEND and will continue to do so.

We will continue to listen and respond to suggestions from our parents, carers and children about SEND provision at Timothy Hackworth Primary School. You can also become part of the SEND Parents Advisory Group, who meet every half term, with the SENDCO, to discuss SEND issues and take an active role in developing systems and provision. If you have any comments or suggestions, or would like to join the SEND Parents Advisory Group, please contact the SENDCO, Mrs. Kozlowski.
