

Spring 2023 Issue 1

Welcome to our very first issue of The Timothy Hackworth Times; produced by pupils for pupils.

Each week, our fantastic members of Newspaper Club have been learning the skills required to become budding journalists.

We hope you enjoy this issue and all of the issues to come!

This paper is produced by the budding reporters of Timothy Hackworth's brand new Newspaper Club.

Amazing Images!

During our research, we were excited to find this picture of our school being built 113 years ago!

The school opened in 1910 to accommodate the ever-increasing population of New Shildon Council School (now Timothy Hackworth Primary School).

Timothy Hackworth Primary as it was being built in 1910.

The view facing up Byerley Road before the school was built.

Even more amazing is this wonderful picture of Byerley Road before the school was even built!

We thought the most spectacular thing about this picture is there is not a single car in sight.

Cool Clubs

As well as Newspaper Club, children have been enjoying a range of fantastic clubs at school this year, including Eco Club, Forest School and Drumming!

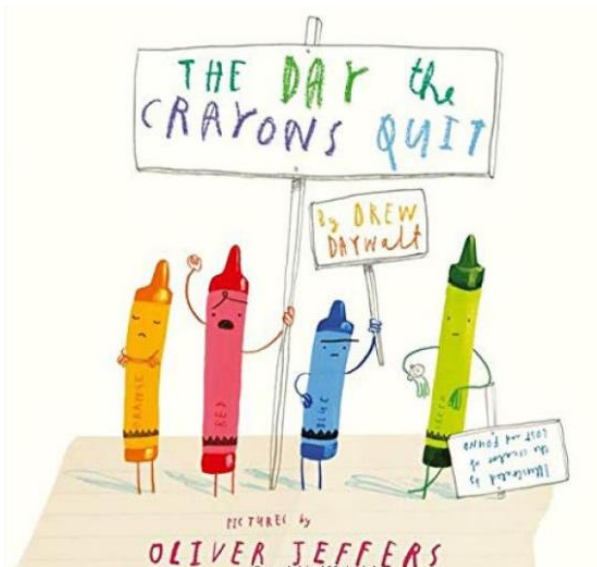

Story Club is enjoyed by our younger children. Each week, they explore a different theme. Here, we see them appreciating a Winter story.

Board Games is a fantastic club! Children from across the school join together to play a variety of fun games. The children told us they had improved their turn-taking, communication and teamwork skills.

Book Review

The Day The Crayons Quit

The book is about crayons. The blue one gets really stubby because it is used for puddles and skies. The black wants to be used more because it is only used for outlines. The yellow and orange are fighting because they both think that they are colours of the sun. Maddy and Milly give this book a 10/10. You will like this book if you like funny stories!

Interview with a Teacher

One of the best parts of Newspaper Club is practising our interview skills on the teachers! We started with Miss Corney from Year 1.

Do you find it easy being a teacher?

The easy bits are that it is fun so it's easy to get up in the morning and come to work. However, making learning so fun and making sure everyone is progressing can be tricky.

What is your favourite school dinner?

Mince Pie!

What are your hobbies?

Playing the ukulele, cooking and doing yoga.

What are your favourite lessons to teach?

Maths, PE and Art.

Do you have any pets?

No – but I had a dog called Rusty when I was a little girl.

What is your favourite TV programme?

Hey Duggee

What is your favourite book?

John Classom – Have you seen my hat?. He writes and illustrates his own books.

Tell us your best joke.

How do you get 100 Pikachus on the bus?
You poke 'em on!
