PRIDE MONTH

Dear Parents and Carers,

To celebrate Pride Month and to encourage a lifelong love of reading at home and at school, we have organised a sponsored read between 20th June 2023 and 30th June 2023.

Children can read anything with words, or, alternatively, spend time being read to.

The money raised will be used to increase our range of Equality and Diversity books in our school Library.

There will be prizes for the most minutes read in three categories: Early Years, Key Stage 1 and Key Stage 2.

Your support is greatly appreciated, as the children will benefit from the extra reading time and more books to read, share and enjoy.

Please return the form below, together with any money collected, to the School Office, by 30th June.

Yours sincerely,

Mrs. A. M. Finkle
