As we reach the end of another school year, I would like to thank you for all of your continued support for our school. Your children are indeed amazing and they are certainly ready for a bit of a rest. They have worked hard, have tried their best, and they tell us they are now wishing for lots of sunshine this holiday!

We wish our Year 6 children very fond farewells as they embark upon their journey into Year 7. They certainly have been excellent ambassadors for our school this year. We have had incredibly positive feedback from the instructors at the Robinwood Outdoor Adventure Centre, where our Year 6s have recently returned from their residential. Out of all of the schools who were also at Robinwood, our Year 6 children were commended on their impeccable, sensible and respectful behavior. Wow!

We have also had such fantastic feedback from staff at the Primary Olympics, where our Year 6 children attended ☆recently. They set the bar so high for excellent standards of manners and behaviour – again – standing out from the ☆crowd for all the right reasons. Fabulous! So, Year 6, we do wish you well – you will all continue to be fantastic role models!

As this school year draws to a close, we wish you all a very safe and happy, sunny, Summer! We are really looking forward to welcoming all of your children back to school ready for a new school year, on Tuesday 5th September.

Have a wonderful Summer,

Mrs. Boulton

Important day to remember: We return back to school on Tuesday 5th September 2023

Going forward into the new term, would parents and carers who drop their children off to school in cars, please observe the voluntary one-way system so that near misses with other cars and children can be avoided.

🛁 am sure that you will agree that the traffic congestion around our school is an increasing cause for concern and the safety of children, including those younger siblings in pushchairs and prams, and the safety of adults walking to school with their children, is a real worry.

This is because cars are driving at speed along Oxford Street. There are an increasing number of vehicles doing dangerous turns on Oxford Street when children and adults are at risk of being hit.

lower An increasing number of parents are now choosing to drop off their children from their cars, whilst engines are still running, in the middle of Oxford Street, leaving children to have to jump out the car in the middle of a busy road.

You will all be aware of the recent media coverage of the tragic death of the 8-year-old primary school pupil in London, caused by dangerous driving. We must take action to ensure that the children in our school are safe as they arrive at school, and as they leave at home time.

Please use the voluntary one-way system which will help with the issues raised above. This is where cars travel up Ruskin Avenue towards Diamond Street, rather than travelling down Ruskin Avenue towards Oxford Street. We repeatedly ask Durham County Council to make this one-way system official and we will continue to do this.

Thank you for your support with this. Change does need to happen for the safety of our children.

School Uniform

CRC Article 28 – All children have the right to a good quality education.

In readiness for September, a polite reminder that all children are required to wear full school uniform every day.

Our expectations are that each child must attend school, on time, every day, looking smart in the correct school uniform. This is because we are already preparing children for the world of work. So, even though your children 🖈 might only be very young and in the Early Years of our school, it is still vitally important that children get into good habits and good routines of wearing the correct school uniform.

☆Our children and staff take immense pride in the children wearing their correct school uniform as we are continually representing our school in front of visitors, for special events, for visits, and of course, for each other, day in and $\stackrel{\wedge}{\boxtimes}$ day out. ☆

It is important to remember that the following items are not permitted in our school:

Trainers

 $\stackrel{\wedge}{\Rightarrow}$

☆

 $\stackrel{\wedge}{\Rightarrow}$

☆

 $\stackrel{\wedge}{\Rightarrow}$

☆

☆

 $\stackrel{\wedge}{\Rightarrow}$

☆

 $\stackrel{\wedge}{\Rightarrow}$

☆ ☆

 $\stackrel{\wedge}{\Rightarrow}$

 $\stackrel{\wedge}{\Rightarrow}$

- Earrings. If a child arrives at school with earrings, they will be asked to remove them.
- Hoodies
- Leggings
- **Smart Watches**
- Air Up Bottles.

We thank you for your support with this. In the rare occurrences where children do not have correct school uniform in September, parents would be contacted about this as a priority.

PE Kits

CRC Article 28 – All children have the right to a good quality education.

Please ensure, that as part of our School Uniform Policy, that children have the correct PE Kit.

Please send your child to school with their PE Kit on the first day back. Their kit can then stay with them until the end of the first half-term, when the children can take their kit home to be washed.

If the children do not have their PE Kit, then they are unable to join in with not only PE lessons, but with other exciting events where a PE Kit may be required.

PE is part of the National Curriculum, so it is a legal requirement that children participate in PE lessons in school. It is therefore vitally important that children always have their PE Kit in school.

School shoes are not permitted for PE lessons. Children must have plimsolls for Indoor PE, and trainers for outdoor ightharpoonupE.

We thank you for your support with this. In the rare occurrences where children do not have correct PE Kit in September, parents would be contacted about this as a priority.

Thank you for your support.

Year 3 STEM Visits to the Locomotion.

In June, Year 3 took part in STEM days at the Locomotion Museum. STEM is a fantastic way of encouraging children to get involved in a wide range of Science, Technology, Engineering and Maths activities, while having fun and being creative.

While they were there, the children made 'Rocket Mice' and experimented with how far they would fly, constructed and decorated a 'Wobble Cup' and made model car axles with real moving parts!

The children worked both individually and as part of a team and had to plan, construct and evaluated their products.

Technology Tim, who worked with the children during the STEM days, said that our children were the best groups he had ever worked with! Amazing job Year 3, well done.

 $\frac{7}{4}$ Article 28 & 29: all children have the right to an education which develops their personality, talents and abilities to the full.

Firefighters from Bishop Auckland Fire Service visited the children in school to talk about how to keep themselves safe.

The children learnt about 'Cold Water Shock' and how to stay safe when playing near water.

The children also learnt about what to do in the event of a smoke alarm going off and how they would ask for help.

★The children were able to talk very sensibly about what a 999 call means and how the emergency services can help us.

Alfie was intrigued by the equipment and kit that the Firefighters wear when rescuing people from the water.

With thanks to Bishop Auckland Fire Service for taking the time to visit our school.

We use the Eatwell Guide as a model to learn about healthy eating. It is shaped like a plate to help us to visualise what a healthy meal should look like.

We know that, ideally:

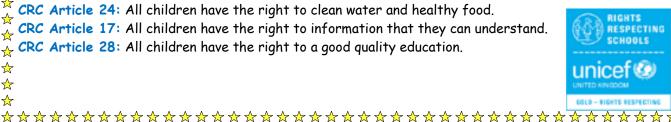

- about a third of our food should be starchy carbohydrates to give us energy;
- · about a third of our food should be fruit and vegetables to help us to fight off diseases;
- we should have a source of protein to help our cells to grow and repair;
- we should limit our intake of fatty and sugary foods as they can cause us health problems now and in the future;
- · we should drink plenty of water to keep our bodies hydrated and help our digestive systems to work well.

<u>⊹</u>

Timothy Hackworth were asked to be part of a trial within County Durham, along with a secondary school, social services and Durham County Council, the purpose of the trial is to promote the educational doubter and support effective joint working.

An addition to the benefits for all pupils, good attendance at school also provides an additional safeguard for vulnerable pupils.

All parents are expected to support and encourage their children to go to school every day, a thorough understanding of the child's lived experience is an important part in identifying and removing barriers to attendance, ensuring parents understand the important role can play in this and in some cases identifying educational neglect.

The Objectives

☆ ☆

 $\stackrel{\wedge}{\Rightarrow}$

 $\stackrel{\wedge}{\Rightarrow}$

☆

☆

☆

☆

 $\stackrel{\wedge}{\Rightarrow}$

☆

☆

 $\stackrel{\wedge}{\Rightarrow}$

☆

☆

 $\stackrel{\wedge}{\Rightarrow}$

☆

☆

☆

- To enhance communication between social care and education to gain a shared understanding of those children with a social worker.
- To know the needs of those children with a social worker and implement appropriate interventions.
- To provide focused support to the families of those children with a social worker.
- To look for opportunities to reduce duplication in systems and paperwork for children and families.
- Build stronger working partnerships between Social Care and Education.

What we hope to achieve

- Schools see an improvement in attendance and progress measures for those children who are identified as children in need or with a Child Protection Plan.
- The support provided reduces the impact of external influencing factors and increases the engagement in school for those children identified as children in need or with a Child Protection Plan.
- More engagement from families in their children's education, in terms of attendance at meetings, their demonstration of actions detailed in care plans and a de-escalation in services being accessed by the families.
- Feedback from families confirms a positive experience for them when working collaboratively with social care and education partners.
- Feedback from social care and education partners confirms enhanced communication between them.

Uust a reminder of what our expectations are for September for all children and how you can help:

We want to work with parents to ensure that all pupils are given the opportunity to develop their full potential. Our expectations are that, in order to fulfil their duty to educate their children, parents/carers will:

- if you wish to take leave in term time, requests should be made in writing at least 4 weeks in advance. Please do not take leave without informing school as this can lead to safeguarding concerns.
- Help your child get into the habit and learn the value of regular routines.
- Teach your child that attending school is non-negotiable unless they are truly sick.

Thank you to all the parents and children who have worked hard this year to support the school and maintained their child's attendance.

Above 97%	Less than 6 days absence a year- Excellent attendance.	Pupils with this attendance should achieve the best they can.
95%	Less than 10 days absence in a year.	Pupils with this attendance are more likely to achieve their targets at the end of the year.
90%	20 days absence in a year.	Pupils with this attendance are missing approximately a month (20 days) of school per year and may fall behind in Maths, English and other subjects; it will be difficult for them to achieve their best.
85%	30 days absence in a year.	These pupils are missing approximately 6 weeks of school a year. It will be very difficult for them to keep up and achieve their best.
80%	40 days absence a year.	Pupils with this attendance are missing a day for every week of school. It will be almost impossible to keep up with their work and achieve their best.

There are 190 days in a school year, which leaves 175 days to spend on family time, shopping, appointments and other things!

I hope you have a wonderful summer and I can't wait to see you all in September!

★CRC Article 27- All children have the right to suitable housing, food and clothing.

This term some of our pupils have been working with Ashley from Shildon Alive in our child-led Children's Rights Club. The group have combined the Children's Rights with our community values to create the Shildon Community Action Club - a name and logo that they agreed on together. The children talked about the things that we love about our local area and the things that they thought they would like to see improved such as reducing litter in the park. We have worked hard to produce posters that we will use to encourage people to stop littering, to save water and electricity and make the whole planet better for everyone to live in!

This has also contributed towards our current Fair Active award at Timothy Hackworth Primary School, where we have all made promises to continue to prevent Climate Change. I would like to thank Ashley for giving up her time for this club and all of the children who have contributed to the Shildon Community Action Club, I hope that this club will be able to continue in the next academic year.

CRC Article 6: All children have the right to be alive. Governments must make sure that children survive and develop in the best possible way.

CRC Article 24: All children have the right to the best health care possible, clean water to drink, healthy food and a clean and safe environment. All children should have information about how to stay safe and healthy.

★ Gareth from 'Go Well' has taught Athletics to Year 2 this half term. He was really impressed with how accurate the children were at throwing different pieces of equipment in order to hit targets. The children were resilient and worked together in groups of threes. They had to take it in turns to be the thrower, scorer and the collector. Each group had three different targets. The thrower had to throw each object to the target. The scorer counted how many times the thrower succeeded in hitting the target. The collector gathered up the equipment ready for the next person to have a go.

CRC- Article 24: All children have the right to the best possible health.

CRC- Article 29: All children have the right to be best they can be.

The Sports Group have been working with Nathan from County Durham Sports. They have come up with 20 different ways to be active. They are trying to promote being more active at school, home and in the community.

Here are a few of their ideas to try out over the holidays:

Bike Ride

★You could bike around the local area or ask a grown up if they'd take you ★somewhere in the car. Hardwick Park is close by and great for bike rides.

Active Travel

Try to walk or cycle every day.

Active Games

Play some games at home such as Shark Attack, Stuck in the Mud, Freeze
Tag and Hide and Seek.

Geocaching

Why not try something totally different? Geocaching is a fun, active way to find hidden treasure. You can search it online or even download an app.

<u>Just Dance</u>

Put just dance on a games console or find it on YouTube and dance around like no one is watching!

Stair Challenge

Climb your stairs a number of times. For a real challenge you could climb the height of Roseberry Topping, which is 107 times up a flight of stairs.

Nathalie Paris Update

RRS Article 29: All children have the right to be the best that they can be. RRS Article 31: All children have the right to participate in cultural activities.

Nathalie Paris has been working with Year 4, 5, 6 and 2 during the Summer Term. Madame Paris said, "This term Y4 and Y5 have really come up leaps and bounds in French, focusing on their animals and their colours, while Year 6 have been recapping their previous learning and having conversations with one another. In Y2, we have been getting ready for French in Y3 with work on a story about finding names for our toes - it has been great fun!"

The children have really enjoyed having Madame Paris teach them French this year, and we look forward to seeing Nathalie in school again next year. Super! ☆

Alex Dewar

*Alex Dewar was a highly successful Army Warrant Officer with the world at his feet, when he suffered a brain haemorrhage which would change his life forever. He came into Timothy Hackworth Primary School and showed staff and children how he developed courage, determination and resilience. He still continues to rebuild his life. He taught Year 3 and 4 children how physical activity and fitness was key to his survival and his recovery. He took part in the Invictus Games and represented Team GB.

Alex Dewar gave an inspiration talk about the disabilities he now lives with. He still has a $\stackrel{\wedge}{\Rightarrow}$ tremendous positive attitude. He truly believes 'there is always a way' to navigate a problem or $\stackrel{\frown}{\star}$ a setback. He talked about how you could solve it through another method or you could find a new path or opportunity. ☆

From Monday 3rd to the 5th July, 31 pupils and 3 adults descended on Barhaugh Hall, which lies on the Cumbria / Northumbria border surrounded by varied wildlife such as deer, red squirrels and hares to complete Robinwood 2023.

Whilst there, we completed a number of indoor activities which included three challenging high activities; an impressive climbing wall, crate challenge with emphasis on teamwork and trapeze with platform options to leap from two different levels.

There were further indoor areas in the grounds for Quest and Piranha Pool; wonderful themed problem solving areas developed by our staff team.

Children also took part in a vast range of outdoor activities too, which included Raft Building, Canoeing, Giant's Swing, Nightline and the Challenge Course.

In the evening, all pupils took part in Team Challenges to try and beat the teachers at Quizzes, Dragon's Den and a strange version of Pictionary!

The children were fabulous, extremely respectful and were a joy to be around. All staff members from our school and Robinwood commented on how lovely and well behaved our children were.

Nursery's Train Ride Week beginning 27/03/23

CRC Article 28: All children have the right to learn.

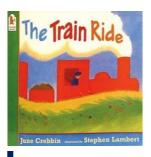

The Nursery and 2-Year-Old children were all invited to come on a train ride in connection to the text by June Crebbin. The children have been recalling the story of the Train Ride at Nursery using lots of props.

The children listened and joined in with this familiar text on the platform as we waited for the train.

It was lovely to chat with the children on our walk to and from the station; we discussed what we could see and hear and noticed signs in the environment.

The children behaved impeccably during out trip and we are all happy to have travelled on a train together.

Back at Nursery we collectively wrote our own small piece of poetry as we recalled what we had seen.

The train drive
and ticket
collector were
very happy to help
us on our short
journey.

★Football World Cup

CRC Article – All children have the right to play and relax.

A fabulous well done to our Football Team who played in a recent tournament, coming 2nd out of 34 teams. Wow! What an amazing achievement!

The players were commended for their respectful attitudes both on and off the pitch, as well as their footballing atalents!

We are all very proud of you!

Place2Be has had another great year within Timothy

AHackworth Primary School! The service has supported children, families and staff throughout the year, with ☆a wide range of interventions that are available from the project.

Place2Be offers a variety of interventions that provide safe and appropriate support to meet the needs of wall the individuals involved, these include one-to-one support, Place2Talk, parent partnerships and ☆Place2Think. Place2Be will continue provide a safe and supportive environment for everyone to talk about their worries and concerns as we head into a new year.

Spotlight on Place2Be Interventions

Parenting Smart

₩e all know how busy life can be and sometimes we all need some help, or just ☆need to know 'we are not alone'. Place2Be have an online Parenting Smart website, which is a hub of short, useful articles written by Place2Be's parenting experts. Each article, aimed at parents of children aged 4 to 11 years, shares

☆practical advice on several different topics. These topics include transition, sibling rivalry, peer pressure, safe social media use, co-☆parenting following a separation or divorce, and ☆arguments and conflicts.

☆Please have a look at the articles or find further details at:

https://parentingsmart.place2be.org.uk.

↑There is also an online Parenting Smart course, which is a free course that runs for six weeks. ★The course is a flexible access intervention that ☆is open to all parents and carers of 4–11-yearolds exclusively at Place2Be schools. Parents √and carers interested in this course need to ☆follow the link below and join the course by 12th September and will start on 26th September 2023.

if you are interested in this course and would information, more please ☆https://www.place2be.org.uk/family, scan the QR code from the leaflet or contact Marnie on the details below.

We all want the best for our children, but parenting can be really tough sometimes. We've all been there.

Place2Be's Parenting Smart is a new site for parents and carers of 4-11 year olds, offering practical advice on supporting your child and managing behaviour.

All of our content is created by Place2Be's parenting experts. It's based on evidence and their experiences working with children, young people and their families.

Designed with busy parents in mind, the site has short videos and articles on topics from meltdowns to bullying, from sleeping difficulties to encouraging self-confidence.

Dourney of Hope

Journey of Hope (JoH) is an evidence-based psychosocial support program designed to build resilience for children. The program is designed to help normalize emotions and develop positive coping strategies through cooperative play, creative arts and literacy. Journey of Hope is organized into 8 sessions for groups of 8-10 children, aged between 4-12 years old.

☆

☆

☆

 $\stackrel{\wedge}{\Rightarrow}$

Hourney of Hope utilizes a strengths-based approach in each of the session activities, focusing on participants' ability to manage their emotions and support each other. Group facilitators identify positive coping strategies and allow children to form valuable insights into their own well-being. This approach leads to a greater child-centred practice. The interventions, activities, and methods within *Journey of Hope* help children address and overcome a traumatic event or adversity through building external and internal protective factors, such as:

- ♠1. Promoting positive relationships with caring adults;
 - Building problem solving skills;
 - Promoting healthy peer relationships;
 - Teaching self-regulation skills;
 - Promoting self-efficacy.

We wish the following staff a very fond farewell as they leave for pastures new in September. I am sure that you will join us in wishing the following staff all the very best for their futures, and an enormous thank you to them all for their hard work over the years and for the commitment that they have shown to all of the children at our school. We wish you all every future success.

Dear Parents/Carers,

How quickly time flies as yet another school year comes to a close and we look forward to the summer holidays. An ending of a school year gives us all an opportunity to pause, reflect, consider and then to plan ahead. At Timothy Hackworth we can reflect on another very successful year with some fantastic achievements throughout the school. Governors regularly hear about the children's success and we also see for ourselves how happy, kind and respectful they are. We are so very proud of them all.

Governors are also very proud to serve on the governing body of the school and work closely with Mrs Boulton, Mrs Slattery and the School Leadership Team to ensure that all children receive their right to the very best education and experience. We want all our children to be the best they can be and we want them to feel safe and happy in school so that they enjoy their learning. It is always a pleasure to visit the school, the children are always keen to talk with us and we always see evidence of some fantastic learning. Our school is a very happy place to be.

We have a brilliant staff team, who are very dedicated, creative and enterprising and we firmly believe that the continued success of our school is a very clear reflection of the hard work of all our staff, whatever role they play within our school community. On behalf of the Governing Body, I would like to say "thank you" to them all, for the determination, commitment and support that they have all given to ensure the children receive the very best learning experience.

At the end of this week we are bidding farewell and good luck to our year 6 children. They have been a credit to themselves and the school, and I'm sure they will all go on to achieve many great things; we look forward to hearing about them. The Governors wish the children well on their outward journey and every success at their new schools.

Finally, thank you for your continued help and support, it is very much appreciated. Governors wish everyone a fantastic summer break – keep safe, have fun and let's hope we can enjoy some sunshine. We look forward to what the next school year may bring for our Timothy Hackworth School Family. Governors are fully committed to the school and will continue to work diligently with the school leadership to ensure it's continued success.

With best wishes, on behalf of all the Governing Body.

Mrs Pauline Crook
