Do you recognise this logo?

# Fairtrade Logo

When buying your chocolate, or any other products, be sure to look out for this Fairtrade logo, a special sticker that you might see on some things you buy, like chocolate bars or bananas. The logo tells you that the people who made that product were treated fairly and got paid a good price for their work.

So, when you see the Fairtrade logo, it's a sign that you're buying something that helps make the world a better and fairer place for everyone, especially the farmers and workers who grew or made the things you're buying.

## Did You Know...?

The 'Fairtrade' sticker combines a blue sky to represent hope and optimism and an arm raised in the air to represent empowerment. It also uses the colour green to represent the idea of growth.
