Dear Parents and Carers of Year 6,

While at Timothy Hackworth Primary School, we want our children to learn not only the academic subjects, but to have the opportunity to develop the knowledge and skills which will prepare them for life after school. We are passionate about developing skills and attitudes for independence and looking ahead to the future. Preparation for the workplace and having a clear understanding of the world of work is important. It raises aspirations for all pupils.

On Thursday 26th June, we would like to invite you to attend part of a Careers Event with your child where there will be different organisations who will be available to talk to about their own careers and businesses. There will be time to ask questions with the aim being to find out some information about different jobs. This will take place 1.15-2.15p.m. in school. If you are unable to attend, the Year 6 children will still have the opportunity to take part with their class teachers and will have had the opportunity to look around on the morning also.

If you would like to attend, we kindly ask you to complete the reply slip below and return to school by Wednesday 18th June. There is a maximum of two places per child available due to the space in school.

As always, we thank you for your continued support and look forward to seeing those of you who can attend the event on Thursday 26th June.

Yours sincerely,

Mrs. L. Boulton
