CRC Article 23: All children have the right to special education and care if they have a disability, as well as all the rights in the Convention, so that they can have a full life.

11th September 2025

Dear Parents and Carers,

Timothy Hackworth Primary School will be taking part in this year's **Jeans for Genes Day on Friday 19th September**. This year, Jeans for Genes is celebrating its 30th birthday.

1 in 25 children has a genetic disorder that makes their life very difficult. That's one child in every class. Simply by wearing our jeans and donating, we will change the lives of these children.

All children and staff are invited to wear their jeans on **Friday 19th September** to help Jeans for Genes Day reach its target of two million pounds. Children can wear non-uniform in place of school uniform, wearing jeans or denim if possible. Please remember that children should not wear any jewellery.

Voluntary donations can be made via our Parent Pay Portal or via a cash donation. Children can bring a cash donation into school on the day.

Jeans for Genes Day have a series of powerful five minute films to explain how your child's donation will make a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic disorders, sharing first-hand what life is like with their condition.

If you'd like to find out more about how our support will help, please visit their website at jeansforgenes.org.

Thank you for your continued support.

Yours sincerely,
