

Friday 11th April 2025

Welcome back to your Family Group

How are you today?

The **ZONES** of Regulation®

BLUE ZONE	GREEN ZONE	YELLOW ZONE	RED ZONE
Sad Sick Tired Bored Moving Slowly	Happy Calm Feeling Okay Focused Ready to Learn	Frustrated Worried Silly/Wiggly Excited Loss of Some Control	Mad/Angry Terrified Yelling/Hitting Elated Out of Control

Learning Objectives:

- To know that the Out Right Campaign is linked to the CRC and Children's Rights.

- To know that the theme for the 2024-2025 Out Right Campaign is 'Change Making'

- To know what Earth Day is and why it is important.

- To know how we can be an active and engaged citizen in our democratic society.

- To use our pupil voice to make positive changes for our own community.

ARTICLE 29- All children have the right to be the best that they can be.

- Education must develop every child's personality, talents and abilities to the full.
- It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

UN Rights of a Child

We have the right to clean water, healthy food and a clean and safe environment to live in. Disposing of rubbish in the correct way can help to do this.

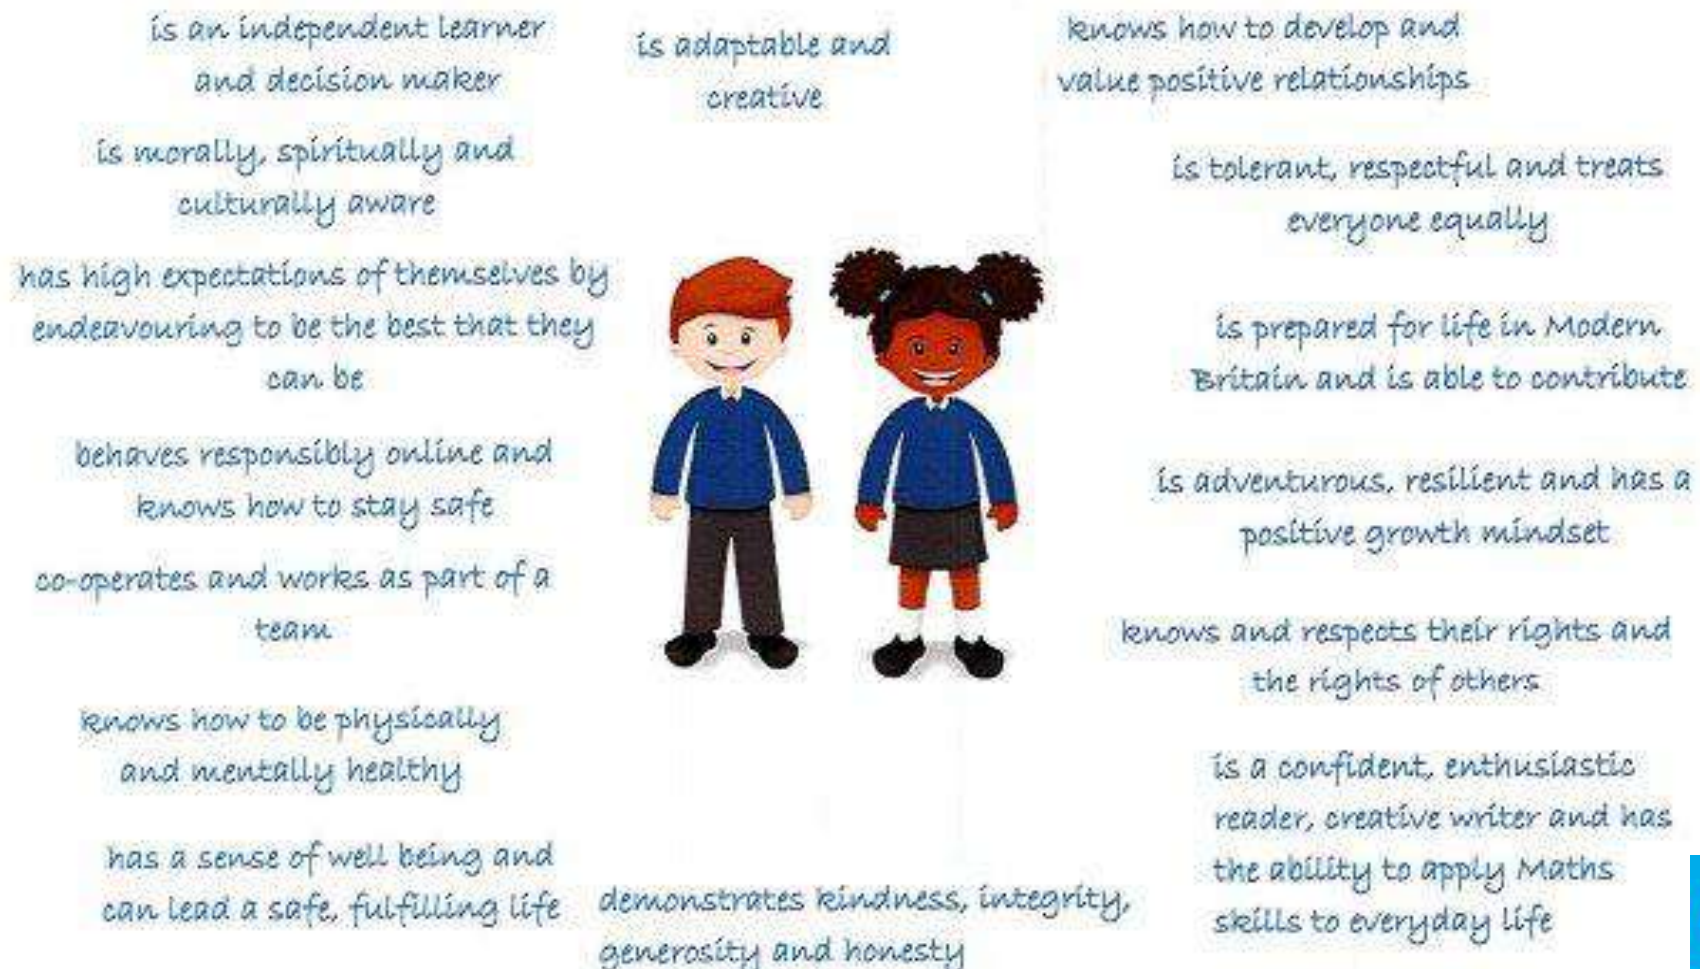

- At THPS, children's rights are promoted, understood and put into action.
- Adults (**Duty Bearers**) and children (**Rights Holders**) work towards this goal together.
- Duty Bearers and Rights Holders commit to this shared goal by learning about their rights, through their rights and for the rights of others.

Article 29:

All children have the right to be the best that they can be.

The Timothy Hackworth Child

THPS- We need your help to be Change Makers ...

Our Family Groups also links to another awareness day which takes places during our Easter holidays.

What is Earth Day?

- Earth Day is an annual celebration that takes place on the 22nd of April and this awareness day was founded in 1970.
- The aim behind Earth Day is to show support for environmental protection and raise awareness of the issues which threaten our planet, including pollution, deforestation and the illegal wildlife trade.
- This important day was created to raise awareness of environmental issues and to encourage people to take action.

THPS Head and Deputy ambassadors

On Tuesday, we completed a litter pick around our local area. We only walked a short distance from school and collected 4 huge bags of rubbish in one hour. We even found a bottle in a tree. We could not believe what we found.

What's happening in the news?

Let's have a look at this poster!

Let's look at the story from last week...

British litter-pickers have become world champions in the litter-picking World Cup (also known as the SpoGomi World Cup) after sifting through nearly 60 kilograms of rubbish in the Japanese capital to win the first-ever contest of its kind. The British team, made up of Sarah Parry and brothers Alexander and Jonathan Winship, beat teams from 20 other nations from around the world. SpoGomi is named after a combination of 'sport' and 'gomi', the Japanese word for rubbish. Each team is equipped with protective gloves, metal tongs and waste bags, and allocated an area of five square kilometres (nearly two square miles) in the busy Shibuya district of Tokyo, to collect as much litter as possible.

Individual Liberty

We can choose what we do with our rubbish. Some of our choices and actions can have a more positive impact on the environment and our health than others.

Protected Characteristics

The way we dispose of our waste can form part of our beliefs: our life choices or the way we live our life. We should never be treated unfairly because of our beliefs.

Sex

Sexual Orientation

Age

Disability

Gender Reassignment

Marriage and Civil Partnership

Pregnancy and Maternity

Race

Religion and Belief

Reflection and discussion

Moral Development

Understanding the consequences of behaviour and actions.

Everyone is different. Some people may respond to laws and sanctions better than rewards and recognition. Discuss the value of having a variety of ways to encourage people to dispose of rubbish responsibly.

If not disposed of responsibly, rubbish can cause harm to the environment and our health and well-being.

Knowledge of, and respect for, different people's faiths, feelings and values.

**Were you aware that not disposing of rubbish responsibly could negatively impact the environment and our health and well-being?
How does this make you feel?**

Which of the 17 Global Goals have we focused on today?

Which of the 17 Global Goals have we focused on today?

This week in Family Groups ...

We will think about our discussions and our learning from the last two weeks. How we can use our pupil voice to be Change Makers?

Today, we will continue to design a poster to promote picking up rubbish and to discourage people leaving their litter behind. We will send these to our local MP, Sam Rushworth.

Let's look at
some examples ...

Now it is your turn ... 😊

- Design a poster on A4 paper
- This can be portrait or landscape
- Please include at least one CRC Article
- Think about how you will encourage people to pick up their rubbish and litter
- Think about how you can use pictures and words to promote your message
- Think about your use of colour
- You may, for example, want to include a border
- Please write your name and Family Group on the back

Today is a draft. Next week you will have more time to work on your poster.

Reading recommendations linked to our Family Group ... 😊
