Dear Parents and Carers,

We are delighted to again be supporting the NSPCC by taking part in their Number Day on **Friday 6th February 2026.**

Children deserve an equal start in life

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for all children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse. The NSPCC needs our support. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. On 6th February 2026, we will be using fun curriculum-based maths challenges to help raise awareness and money for the NSPCC. This includes:

- Children wearing **GREEN** for the day to celebrate and raise money for NSPCC Day!
- A times tables competition for pupils in Year 2 to 6 on Times table Rockstars called 'NSPCC ROCKS'
- A whole day of Maths fun, including a variety of games and quizzes and some extra time on Numbots.
- A focus on PANTS: the underwear rules – the NSPCC's fun way of help children understand about their 'Private parts' and staying safe from sexual abuse.
- We are looking forward to all of the fun of Number Day, and we really appreciate your support. All the money we raise at Timothy Hackworth Primary School will make an enormous difference to children today and help change the lives of children tomorrow. We are asking pupils to bring in any kind donations in cash on the day.

Children will be allowed to wear non-uniform during this day, preferably wearing green clothing! Please remember children should not wear jewellery. Voluntary donations can be made via our Parent Pay Portal or via a cash donation. Children can bring a cash donation into school on the day.
