

# Be a good egg this Easter

Department  
for Education

**We're thrilled to see so many children and young people excited about our Fun & Food programme!**

But here's the challenge: some parents are booking spaces, and children aren't showing up.

**Please keep our amazing programme available to as many families as possible**

When a child misses their session, a funded space is wasted and another eligible child misses out on fun activities and a nutritious meal.

**Only book sessions that your child can attend**

Please cancel if you can't make it so another child can attend. Providers have been asked not to accept future bookings from families who repeatedly miss sessions without explanation.

**Thank you, we really appreciate your egg-stra support**
