### Year 3 STEM skills day

#### CRC Article 28 – All children have the right to a good quality education.

Dear Parents and Carers,

We are pleased to inform you that we have arranged a visit for Year 3 to visit the Locomotion Museum in Shildon for a STEM Skills Day. This trip will take place on Wednesday 6<sup>th</sup> May during the school day.

During the visit, pupils will take part in a range of practical STEM activities designed to develop their skills in science, technology, engineering and Maths. Children will have the opportunity to create an item during the session, which they will be able to bring home with them.

We are sure that the children will thoroughly enjoy this exciting and practical learning experience. The visit will take place during the school day and is free of charge.

#### **On the day, children will need to bring:**

- If your child usually has a school dinner, a packed lunch will be provided. For those who bring their own packed lunch to school they will need to bring one as normal.
- A water bottle.
- Where possible, please bring an empty PE bag, which should be worn on their back so that anything they make during the day can be placed straight inside.
- A named coat, suitable for the weather. As the children will be walking to and from the venue, you may wish to provide them with a sun hat or cap, which can be kept in their bag throughout the day.

Children will arrive back at school in time for the end of the school day.

Thank you for your continued support.

Yours sincerely,

*Mrs. L. Boulton*

Head Teacher

*Mrs. Simpson-May*

Deputy Head Teacher

Head Teacher: Mrs. L. Boulton  
Deputy Head Teacher: Mrs. S. Simpson-May
