Monday	<p><u>Communication and Language:</u> <i>Space</i></p> <p>FOCUS: This week you are going on an adventure to Outer Space. You will begin the week by learning about The Solar System that we live in. Afterwards, you will design your own planet for your own aliens to live on.</p> <p>https://www.thenational.academy/reception/english/space-reception-wk6-1</p>	<p><u>Mathematics:</u> <i>Sorting 2D shapes</i></p> <p>FOCUS: In this lesson you will be introduced to the names and properties of some simple 2D shapes. You will use those properties to sort the shapes. During your daily exercise go on a 2D shape walk and spot shapes in the environment. Which 2D shapes can you spot inside your home?</p>	<p><u>People and Communities</u> What different things do people celebrate?</p> <p>FOCUS: In this lesson you are learning about celebrations. Today, you will consider what events you celebrate and how you celebrate them. You will learn about celebrations that other communities have and what they look like.</p> <p>https://classroom.thenational.academy/lessons/what-different-things-do-people-celebrate</p>	<p><u>Literacy</u> To read Phase 5 decodable words</p> <ol style="list-style-type: none"> 1. few 2. threw 3.
