CRC Article 24: All children have the right to be healthy

Dear Parents and Carers,

You will be aware that, as part of your child's educational experience at Timothy Hackworth Primary School, we aim to promote personal wellbeing and development through a comprehensive taught programme of Personal, Social, Health and Economic (PSHE) education that gives children and young people the knowledge, understanding, attitudes and practical skills to live healthy, safe, productive and fulfilled lives, both now and in the future. Relationships and Health Education is a statutory subject. Please see the leaflet entitled 'Understanding Relationships and Health Education in your child's primary school: a guide for parents', which is being made available alongside this letter.

At Timothy Hackworth Primary School, we also deliver a very limited and age appropriate lesson on Sex Education. Our 'Personal, Social, Health and Economic Education, Relationships (including Relationships and Sex Education) Policy' has recently been updated. This is available on our website. All of our teaching will take place in a safe learning environment and will be underpinned by our rights respecting school ethos and values.

As a school community, we are committed to working in partnership with parents. Please take the time to read our policy and if you have any comments or concerns, please let us know. Your views would be very welcome.

Yours sincerely,

Mrs. L. Boulton
