Dear Parents and Carers,

Welcome back to you all!

I hope that you have enjoyed some lovely family time and sunshine over the school holidays.

I wanted to share with you that your children are an absolute credit to you all; the children had such a settled and positive start when they joined us at the end of last week. They were so respectful to each other, keen to learn, and intent on making a very good first impression to all school staff!

Your children look so smart in their new school uniforms; we were all incredibly proud of how smart they looked last week, complete with clear plastic water bottles! Our staff did need to pass on a few reminders about not wearing trainers and earrings, as these are not part of our school uniform. We thank you for your support with this.

Our staff are keen for your children to have a really positive start to their new school year with us, and we are delighted to see you all again. Returning to school for a new school year is an exciting and important time for you and your child, indeed a milestone, on your child's school journey.

I will keep you updated with any developments in relation to our CV19 restrictions. We continue to monitor the circumstances very closely, and will periodically review our school procedures with a view to returning to a greater normality over the coming weeks and months.

Should you have any questions that you would like to ask, please contact the School Office, or send an email via our school website.

We all very much look forward to working in partnership with you during the next school year.

Yours sincerely,

Mrs. Boulton
