

'Respectful and resilient; being the best that we can be.'

Timothy Hackworth Primary School

CRC Article 19: All children have the right to be safe
CRC Article 28: All children have the right to an education.

Dear Parents/Carers,

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Friday 4th February**.

Children deserve an equal start in life

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse.

The NSPCC needs our support. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

On 4th February 2022, we will be using fun curriculum-based maths challenges to help raise awareness and money for the NSPCC; we are asking pupils to donate any amount that they can on the day. This includes:

- Children wearing **GREEN** for the day to celebrate and raise money for NSPCC Day!
- A times tables competition for all pupils, inspired by Times Tables Rockstars!
- A whole day of Maths fun, including a variety of games and quizzes!
- A focus on safeguarding for all pupils, including a fun quiz!

It all adds up

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Timothy Hackworth Primary School will make an enormous difference to children today and help change the lives of children tomorrow.

Children will be allowed to wear non-uniform during this day, preferably wearing green clothing! We would appreciate a donation of £1 to support this valuable cause.
