The Wellbeing Award for Schools

CRC Article 28 – All children have the right to be the best that they can be.

Dear Parents and Carers,

I am delighted to inform you that our school is currently working towards achieving the 'Wellbeing Award for Schools'.

In order to make sure that we improve the support we offer, we want to understand how well we are currently supporting the emotional wellbeing of our children. For this reason, we are inviting children at our school to complete an anonymous survey. This is a requirement of the Wellbeing Award.

The following information is important as it will explain about both the survey process and how the information gathered will be used.

Why we are writing to parents and carers

We are asking for your permission to invite your child to complete the survey. If you are happy for your child to do this, **then you do not have to do anything**. However, if you do not want your child to complete the questionnaire then please let us know by the very latest, Monday 28th February, the first day back after half-term. If we do not hear from you, we will assume that you are happy for your child to take part in the survey.

If you are unsure about whether you would like your child to take part and you have some questions that you would like to ask about the survey, you are welcome to contact Mrs Shepherd, our school Wellbeing Lead.

Why has my child been asked to take part and what will they do?

The survey has been specially designed for children. It is a survey which should take about 15 minutes to complete. The answers your child gives to the questionnaire will not be seen by their friends or teachers - unless your child chooses an adult to help them to complete the questions.

What will happen with the information that your child gives us?

The information from the survey will help our school to improve its work in providing better provision for emotional wellbeing and mental health. All information collected is anonymous and will be kept confidential.

What we need parents and carers to do

We hope that you have found this information useful and that you will be happy for your child to take part in this survey.

Yours sincerely,

Mrs. C. Shepherd
Wellbeing Lead
