Durham County Council Student Voice Survey

CRC Article 12 – All children have the right to an opinion.

Dear Parents and Carers,

Our school, as well as many other schools in County Durham, is participating in a survey for children and young people in Years 4, 5 and 6 in primary schools. This survey will inform the development of plans and services across County Durham and is designed to positively impact upon pupils, as services can be directed to support where particular issues come to light.

The survey has been designed in conjunction with children and young people, and includes questions on a range of topics including:

Educational wellbeing:

- Homework
- Lessons

Social wellbeing:

- Healthy relationships
- Mental health and wellbeing
- Behaviour and safety
- Online safety

Health and physical wellbeing

- Physical activity
- Healthy eating
- Smoking and alcohol

Community wellbeing

- Hobbies and interests
- Access to community facilities

Each response will be anonymous and confidential, and therefore no pupil will be identified when the data is analysed. The council's Research and Intelligence Team will receive the results and data for use in further analysis at council and school level. The council and partners will then use this information to plan and target services, especially where improvement is required. Further information is available in Frequently Asked Questions, which can be found with this letter.
